# A Message from the CEO

*As we reflect on the continued growth and progress of Indus Hospitality Group, I want to take a moment to express my sincere gratitude to each of you. Whether you are a guest in one of our hotels, a partner in our initiatives, a dedicated team member, or a neighbor in the communities we serve your support is at the heart of everything we do.*

*At Indus, we believe hospitality goes beyond our business, it's about people. It's about creating meaningful experiences, building strong relationships, and giving back to the communities that have welcomed us over the years. From local volunteerism to long-standing community partnerships, we are proud to work alongside you to create lasting impact.*

*To our associates: thank you for your hard work, your passion, and your commitment to excellence. You are the reason we continue to grow with integrity and purpose.*

*To our customers, strategic partners, and neighbors: thank you for your trust. We look forward to continuing to serve you and strengthen the communities we all call home.*

**JETT MEHTA**

Indus Hospitality Group has built its legacy on a foundation of dedication, resilience, and community partnership. What began as a small, family-driven venture has grown into a thriving organization deeply rooted in the communities we serve.

Our mission is to develop, empower, and support greatness in both our people and the places we call home. At the heart of our brand are the values that have guided us from the very beginning: Growth, Loyalty, Respect, Caring, and Flexibility.

# Real impact starts with a willing heart.

Each year, our employees generously give back by supporting local non-profits and making a meaningful impact in the communities we serve.

We actively participate in initiatives such as volunteering at Foodlink, holiday gift wrapping for the Boys & Girls Club, and the Day of Caring through the United Way.

These efforts demonstrate our ongoing commitment to service, compassion, and meaningful community engagement.
